EzeeCorner™

Maximum Corner Protection for Shipping

- Lightweight and tough
- Superior cushioning
- Reusable

1 Place bottom corners

- Won't scratch
- Absorbs repeated shock
- Withstands multiple impacts

2 Place top corners

- Exceptionally resilient
- Stores flat
- Protects furniture

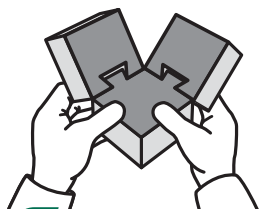

3 Finish!

EzeeCorner is a 3" x 3" x 3" laminated polyethylene corner. It is delivered flat and easily folds and locks in place; ideal for "box within a box" packaging of heavy, flat or dense items. Available in color-coded 1", 1½" and 2" wall thickness.
